Energy Analyst, IEF

Assessment

Remark on timeliness

May 2019 JODI data update (data up to March 2019) was used for this assessment.

Remark on Completeness

Completeness is reviewed based on JODI-Gas Questionnaire in both volume and energy content units.

Country: Australia

Participation status

Participation assessment

	January -June 2018			July -December 2017			January -June 2017		
Australia									

Remark on Timeliness

- Data up to March 2019

Remark on Completeness

- Stock and Elec. & Heat Generation data are at present unreported

Country: Australia

Data: Import

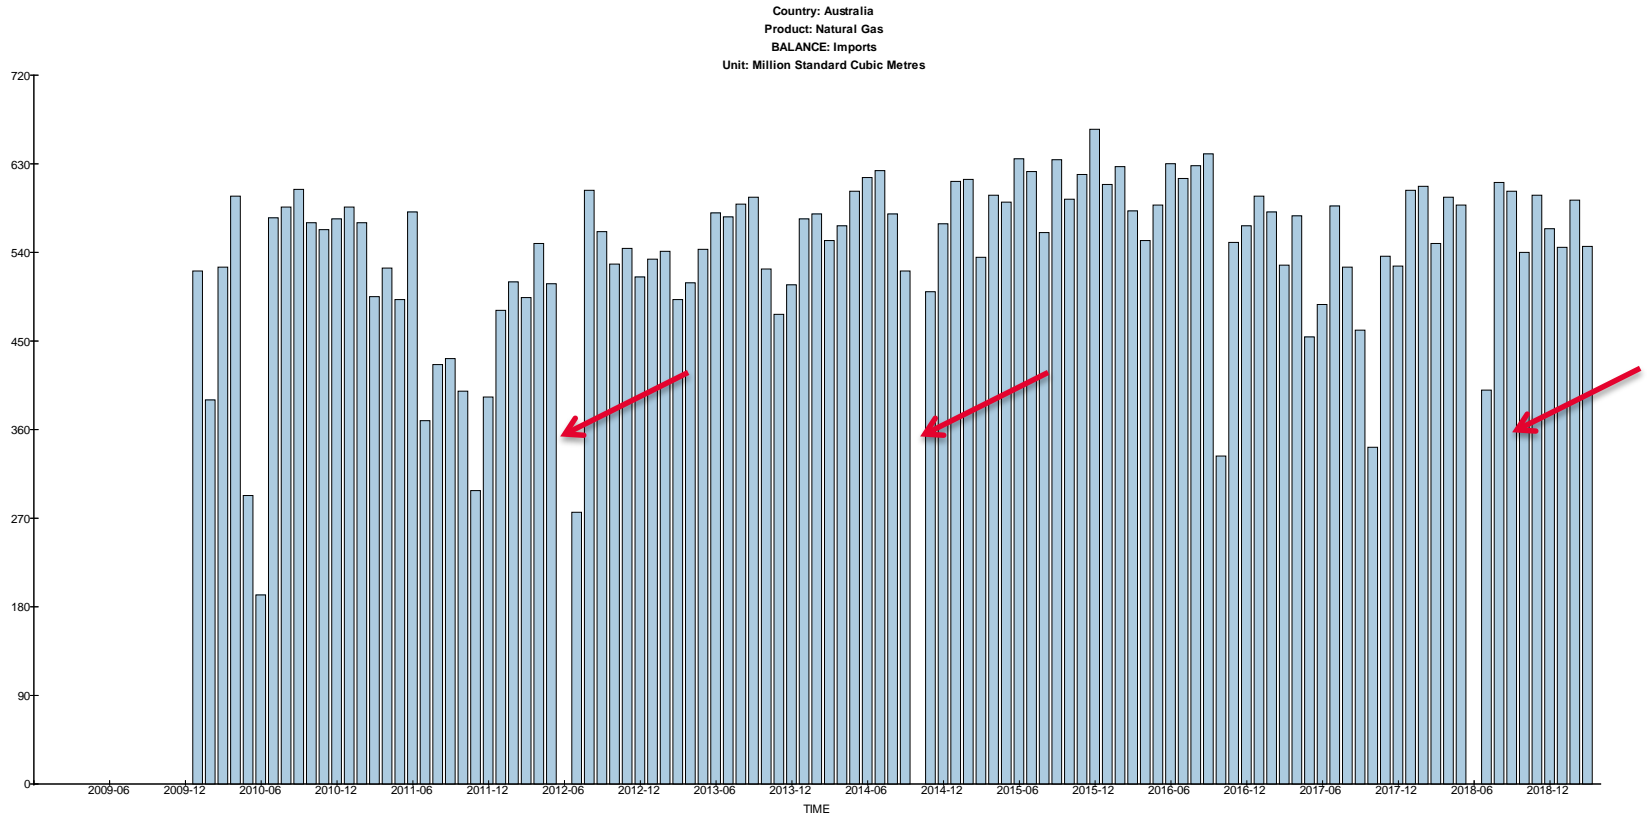

Table: JODI-Gas 201905.iwt - JODI Gas World

Observations: Really no imports for some months?

Country: Brunei

Participation status

Participation assessment

	January -June 2018			July -December 2017			January -June 2017		
Brunei									

Remark on Timeliness

- Data up to March 2019

Remark on Completeness

- Complete data set are available

Country: Brunei

Data: Balance

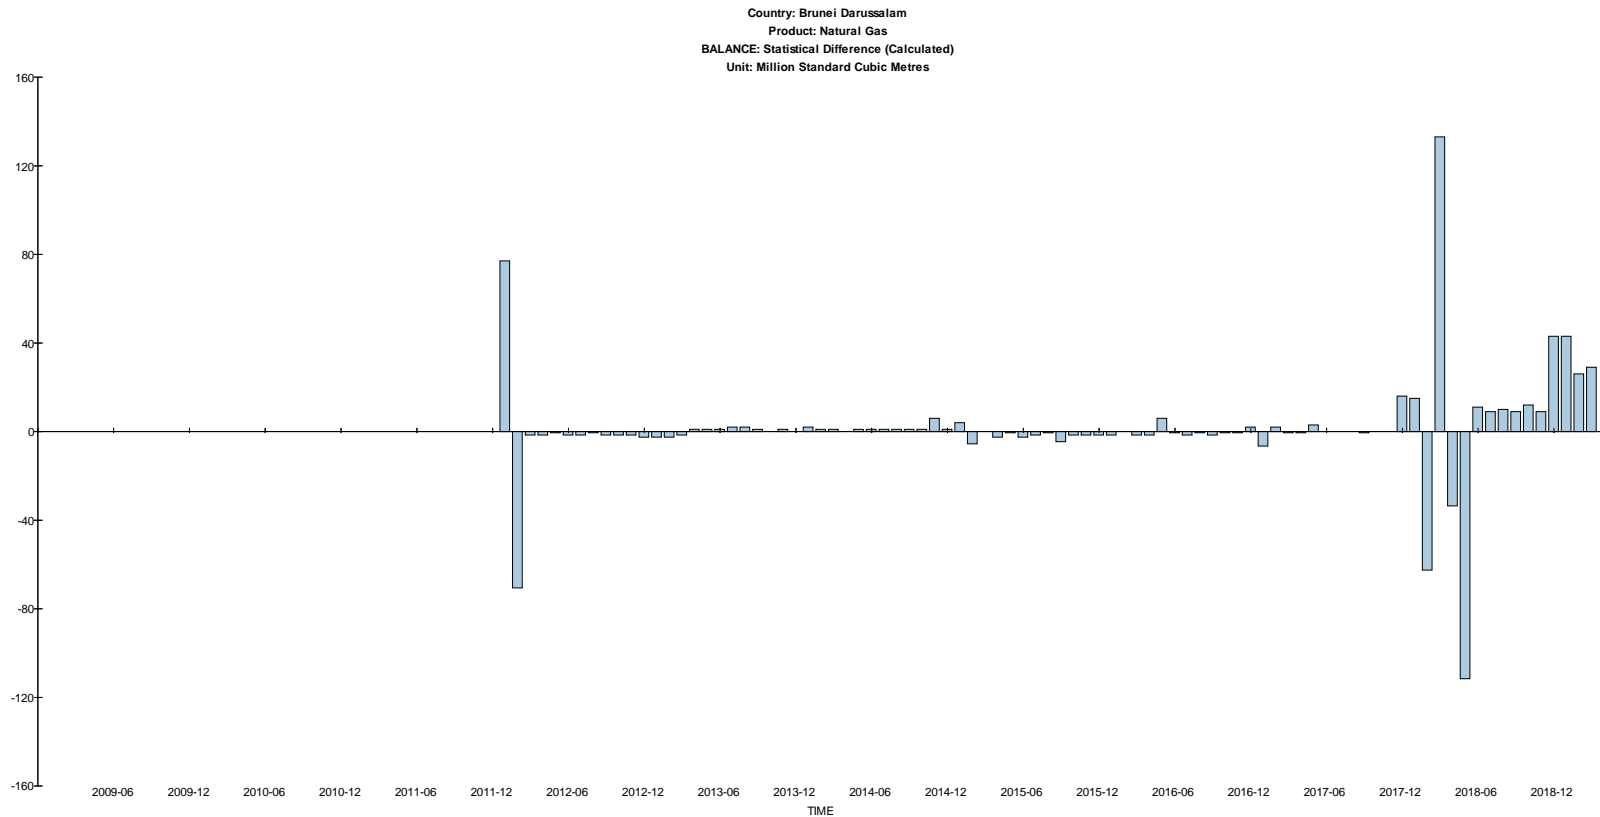

Table: JODI-Gas 201905.ivt - JODI Gas World

Observation: Occasionally high statistical differences.

Country: China

Participation status

Participation assessment

	January -June 2018			July -December 2017			January -June 2017		
China									

Remark on Timeliness

- Data up to March 2019

Remark on Completeness

- Stock, Observed Deliveries, and Elec. & Heat Generation data are at present unreported

Country: China

Data: Imports

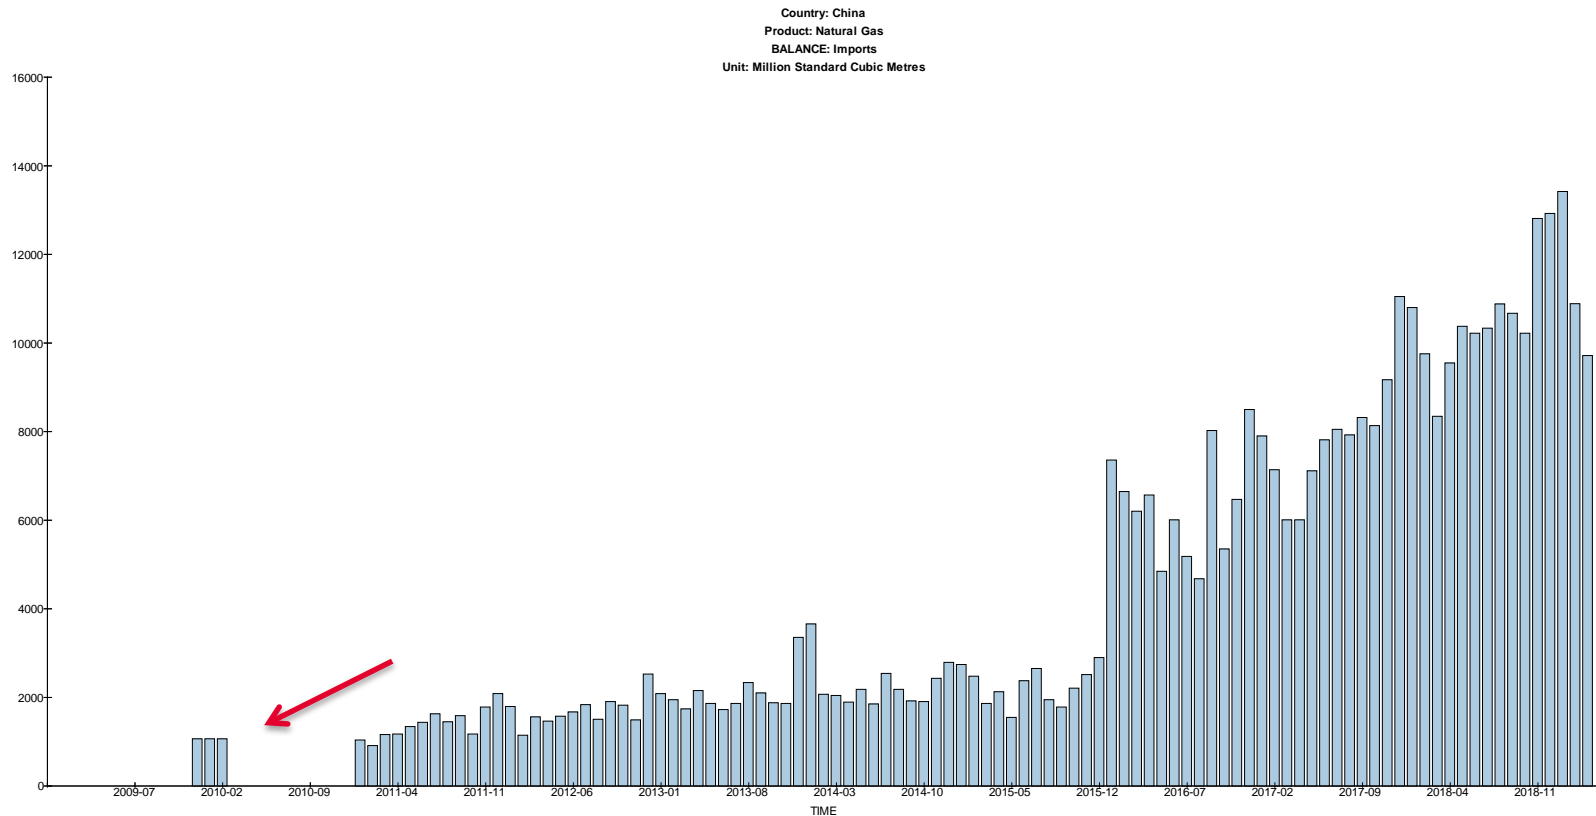

Table: JODI-Gas 201905.iwt - JODI Gas World

Observations: Missing data?

Country: China

Data: Inland delivery

Country: China
Product: Natural Gas
BALANCE: Gross Inland Deliveries (Calculated)
Unit: Million Standard Cubic Metres

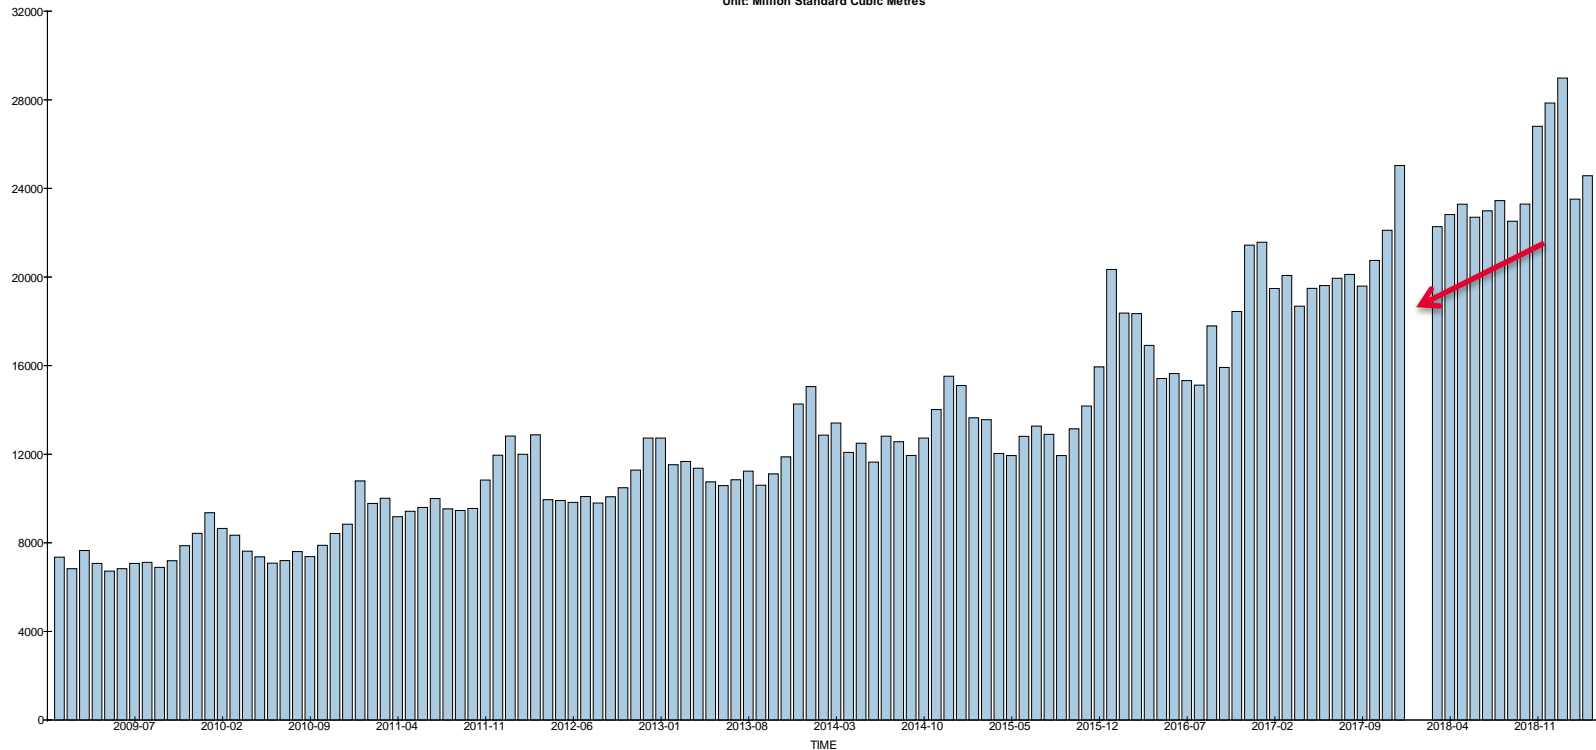

Table: JODI-Gas 201905.ivt - JODI Gas World

Observations: Missing data?

Country: Hong Kong

Participation status

Participation assessment

	January -June 2018			July -December 2017			January -June 2017		
Hong Kong									

Remark on Timeliness

- Data up to March 2019

Remark on Completeness

- Stock data is at present unreported

Country: Hong Kong

Data: Inland delivery

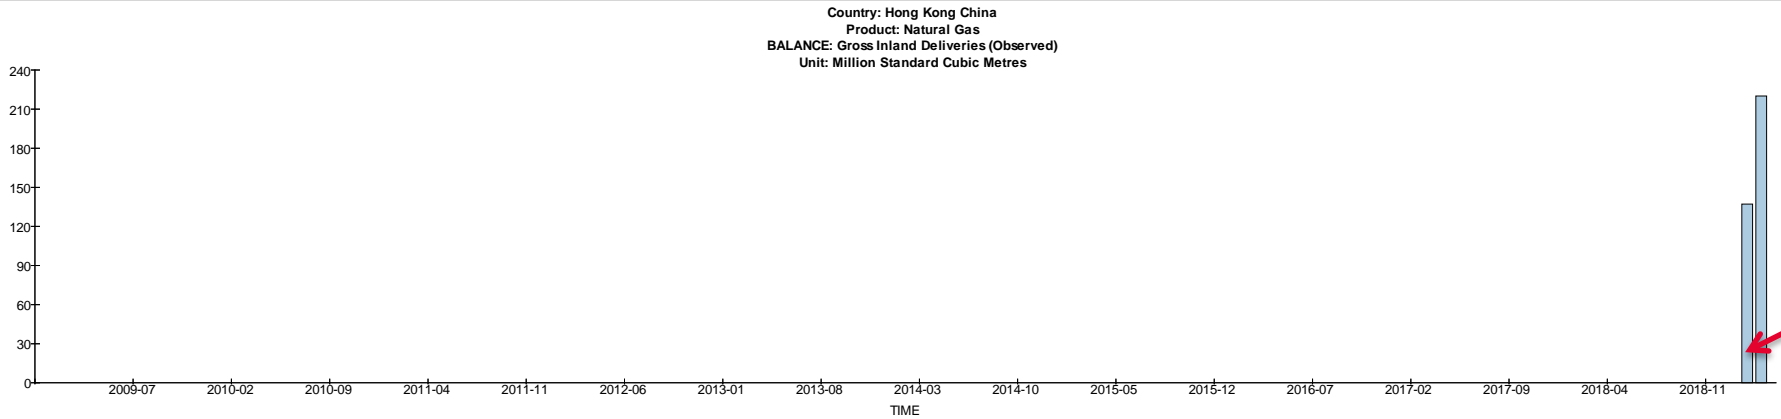

Table: JODI-Gas 201905.ivt - JODI Gas World

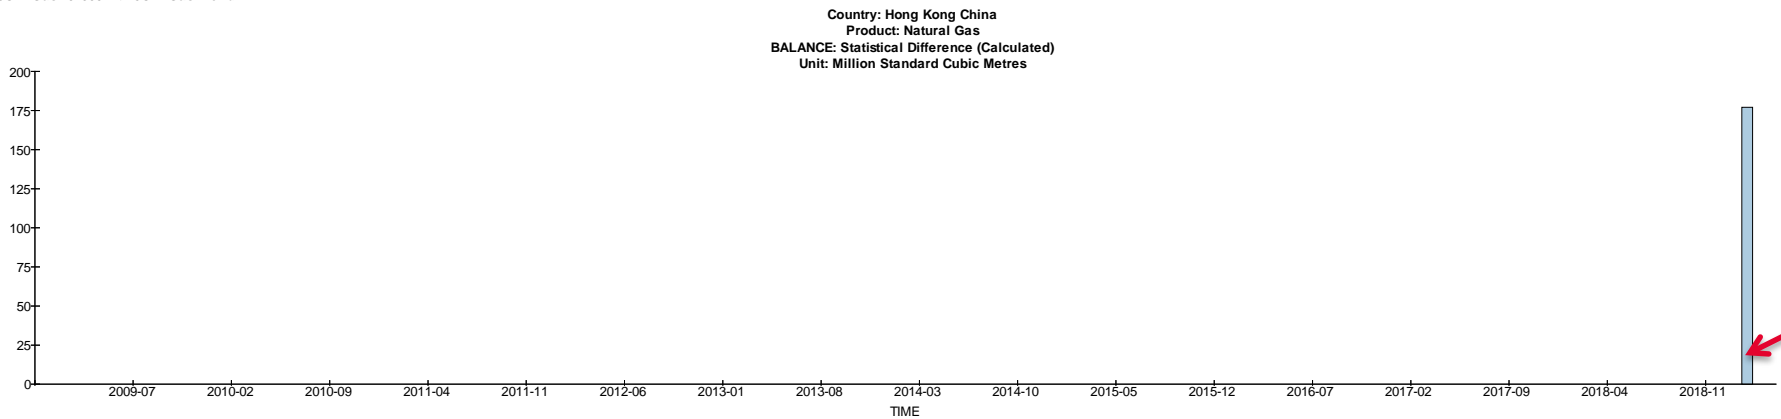

Table: JODI-Gas 201905.ivt - JODI Gas World

Observations: New observed data but large statistical difference.

Country: Indonesia

Participation status

Participation assessment

	January -June 2018			July -December 2017			January -June 2017		
Indonesia									

Remark on Timeliness

- Data up to March 2019

Remark on Completeness

- Stock data is at present unreported
- Calculated deliveries are equal to Observed deliveries.

Country: Indonesia

Data: Pipeline exports

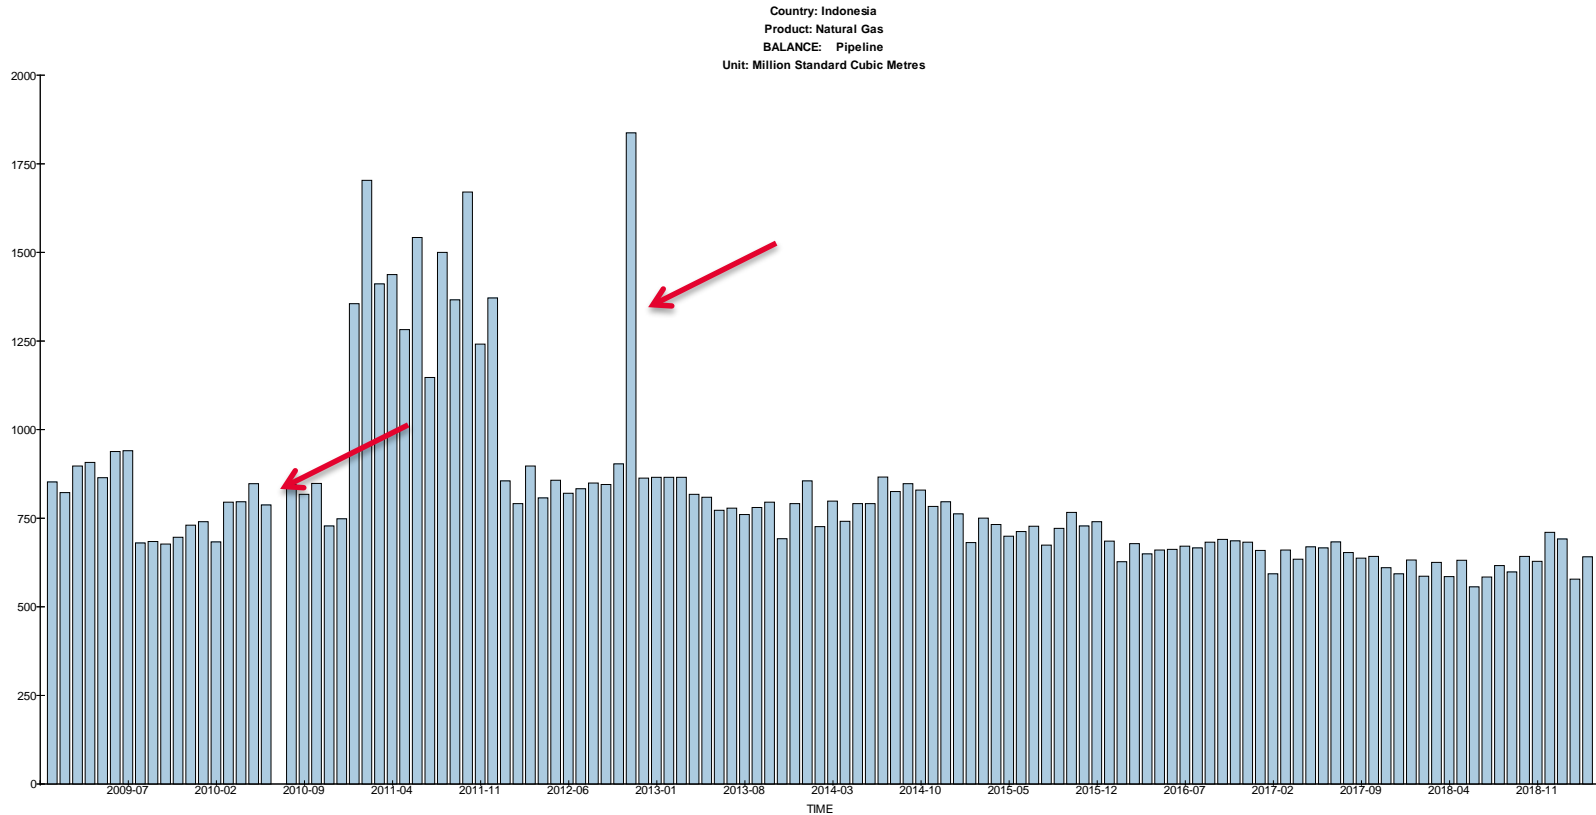

Table: JODI-Gas 201905.iwt - JODI Gas World

Observations: Missing data? Some large spikes in the past.

Country: Indonesia

Data: Inland deliveries

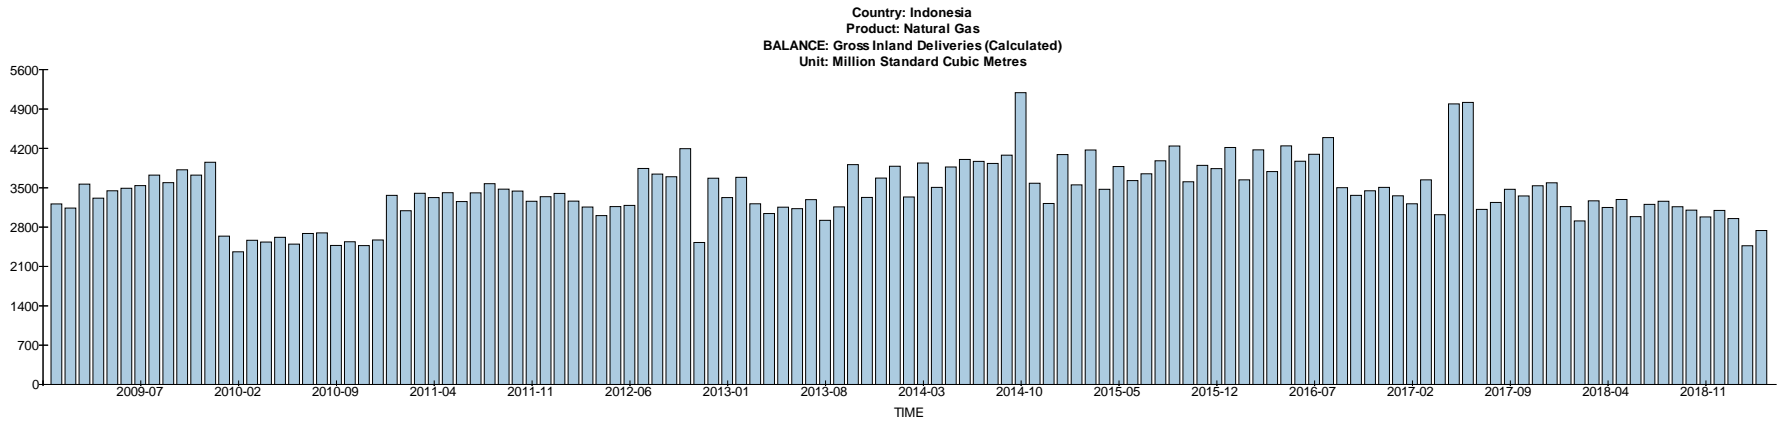

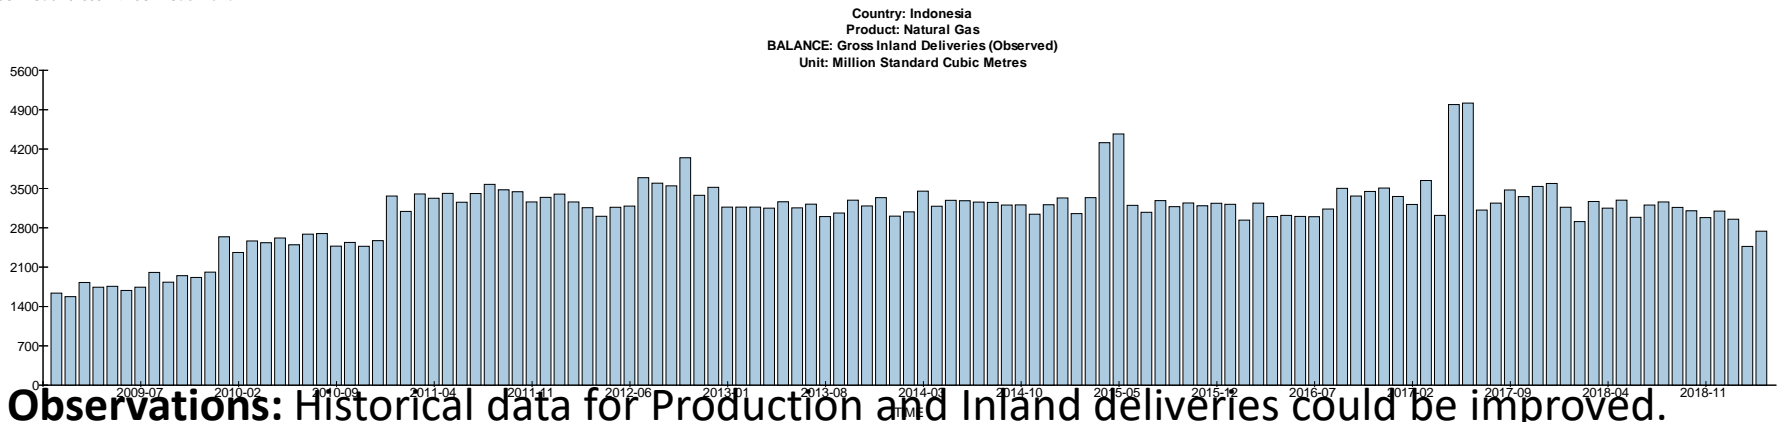

Table: JODI-Gas 201905.ivt - JODI Gas World

Observations: Historical data for Production and Inland deliveries could be improved.

Table: JODI-Gas 201905.ivt - JODI Gas World

Observations: historical data shows different trends between calculated and observed data

Country: Korea

Participation status

Participation assessment

	January -June 2018			July -December 2017			January -June 2017		
Korea									

Remark on Timeliness

- Data up to March 2019

Remark on Completeness

- Complete data set are available.

Country: Malaysia

Participation status

Participation assessment

	January -June 2018			July -December 2017			January -June 2017		
Malaysia									

Remark on Timeliness

- Data up to March 2019

Remark on Completeness

- Only production and trade data are currently reported.

Country: Malaysia

Data: Imports

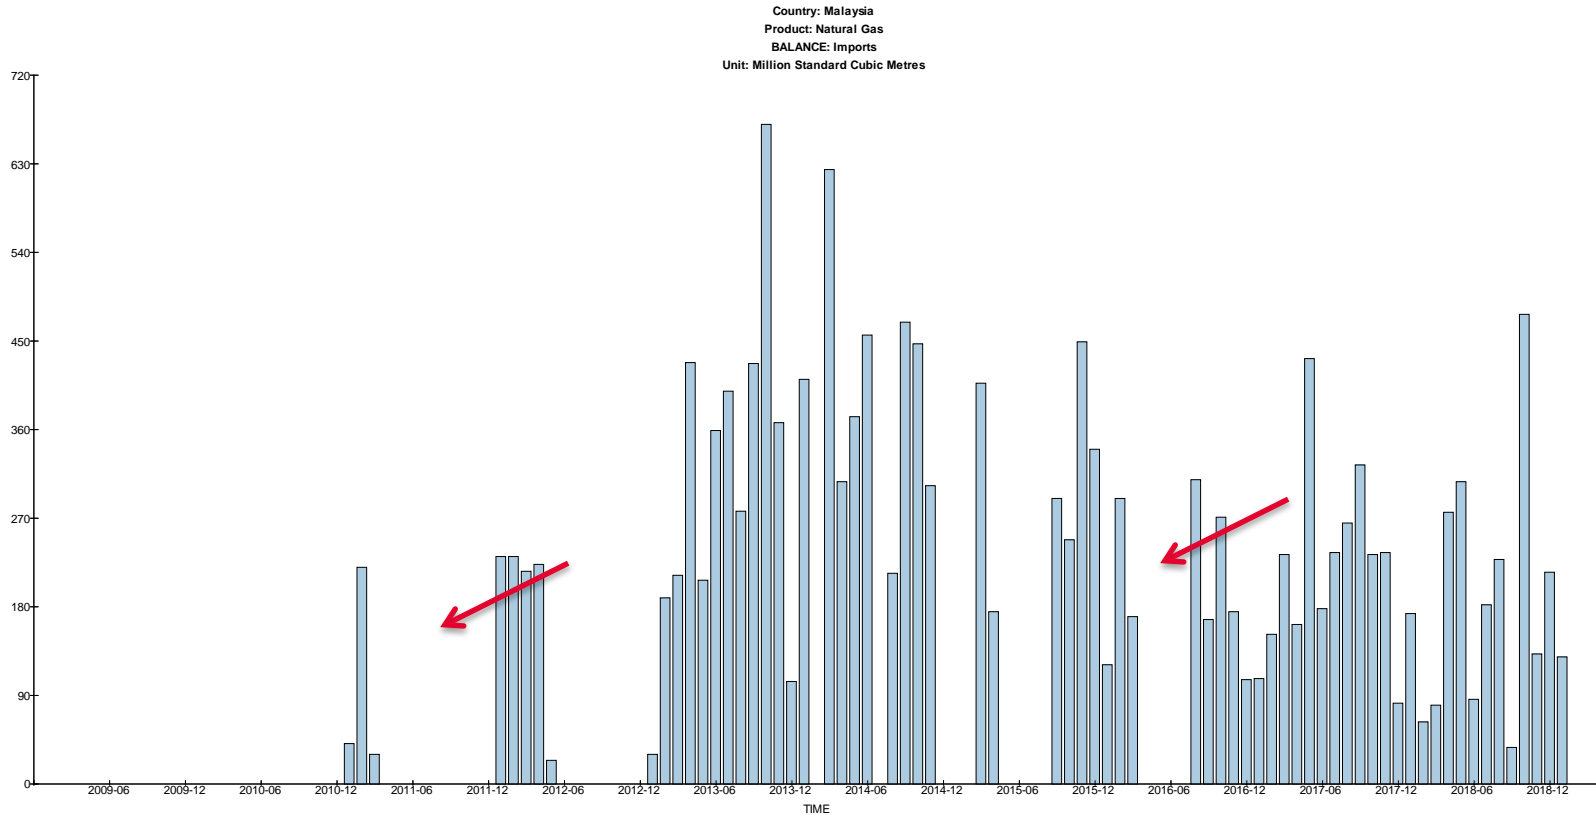

Table: JODI-Gas 201905.ivt - JODI Gas World

Observations: Sporadic imports?

Country: Malaysia

Data: Exports
